

The Brain Injury Association of Canada
is pleased to present

Our 6th Annual Conference
Successful STEPS
Strategies for Education, Prevention and Support
Celebrating Survival

Villa Saint Martin | Pierrefonds, Québec (Montreal's West Island) | July 10, 11, 12, 2009

Join us once again at Villa Saint Martin, a beautiful setting set along the banks of the Des Prairies river for our 6th annual Brain Injury Association of Canada. Highlighting Friday evening will be our Hawaiian Oyster Odyssey so don't forget your grass skirts and hawaiian shirts! We'll welcome you with a lei. Saturday night will feature a group activity sure to make you smile.

BENEFITS OF ATTENDING

You will be able to attend informative sessions by brain injury professionals and survivors who have walked the walk. The opportunity to meet with conference delegates from every province in Canada is an invaluable opportunity that will give you a chance to share and learn practical information you can take home and utilize.
