Brain Injury: It's In Your Community

CVHIS call for abstracts for the 17th Annual G & B Johnson Brain Injury Conference on June 17th and 18th 2010 at the Best Western in Courtenay, BC.

The conference will focus on providing support for survivors, caregivers and family members as they deal with common struggles faced post injury including depression, addiction, and homelessness. With this theme it is our hope to address children and youth as it is a very prevalent need within our community.

Please submit your abstract via e-mail or fax. If you have any questions please contact Andréa Grigg at 1-250-334-9225.
